**EXPERIENCE  
DRIVEN**

# LEARNING CULTURE

2. **Safe** environment role modelling positive behavior
3. Active learning through **collaboration** and **adaptation** based on the needs of the players.
4. **Passion** that inspires players to have fun, develop and love the game.
5. **Growth mindset** through continuous coach development
6. **Enjoyable, inspirational,** and **positive** experience.

## U8 FIVE HELPFUL TIPS

**1** – U8 4v4 players are still ego-centric so you should encourage them to continue to develop dribbling and moves but to share the ball with teammates.

**2** – U8 4v4 players begin to explore passing and you should encourage them to spread out to support player with ball.

**3** – U8 4v4 players are like sponges and teaching them moves and techniques in fun-based sessions will help foster their love for the game.

**4** – The ball will go out of play a lot, its okay, just have a large supply of balls during games and get another ball in play quickly

**5** – U8 4v4 players love it when the coach is into it! Relax and have fun, if you are energetic and into it the players will respond
